		<b>Retail Price: \$500</b>

Medical Career and Technical College has an agreement with Campus Bookstore, located across the parking lot, to maintain an inventory of currently used textbooks for purchase. Students receiving federal financial aid may choose to bundle textbooks for their entire program as chosen at time of enrollment. That request is made per each individual student with arrangements made through the school financial aid office. Students may also choose to purchase through online textbook vendors. Students may also choose to purchase e-books directly through the textbook publisher.
